[www.yoshis.com](http://www.yoshis.com)

Helen is George Cables' soul mate and musical inspiration. She has devoted her time over the last 2 years helping George recover from a liver transplant and 2 kidney transplants.

Helen is now facing her own medical crisis. She was diagnosed with pancreatic cancer in July. Proceeds of the benefit concert will help cover the mounting medical expenses.

For information about Helen, to send her a note or a donation visit
